# 2020 TMIE Virtual Cybersecurity Summit for University Students

**For English Speaking Students**

**TUESDAY, NOVEMBER 10, 2020**

14:00 - 18:30 PST / 16:00 - 20:30 CST / 17:00 - 21:30 EST

**For Spanish and Portuguese Speaking Students**

**WEDNESDAY, NOVEMBER 11, 2020 (same time)**

### Objectives

The TMIE Virtual Cybersecurity Summit for University Students is organized and sponsored by Trend Micro Initiative for Education ([www.trendmicro.com/TMIE](http://www.trendmicro.com/TMIE)) - a community cybersecurity education outreach program. Our goal is to initiate cybersecurity knowledge sharing and stimulate students' interest in cybersecurity careers in collaboration with TMIE and leading universities. The Summit coincides with the NIST NICE Cybersecurity Career Awareness Week.

### Participating Universities and Nonprofit Organizations

San Jose State University, University of West Florida, Florida International University, University of California at Davis, Mountain View College, University of Dallas, Dallas Baptist University, Southwestern Adventist University, University of North Texas, National Cybersecurity Alliance (NCSA), Cybercrime Support Network (CSN), and more.

### Audience

College students, faculty members, and cybersecurity professionals

### Preliminary Schedule

16:00	Welcome and Introduction
16:15	Keynote: NICE Vision, Cybersecurity Career Week
16:40	Keynote: Cybersecurity and Virtual Reality Inspiration
17:05	Cybersecurity Career Fireside Chat - Panel Discussion
18:10	Breakout Sessions - 3 tracks (Cybersecurity Industry, Career Discovery, Information Sharing and Networking)
20:10	Closing and raffle prize drawing
20:30	Virtual Networking

### Registration & Sign Up

Visit [https://whova.com/web/virtu13\\_202010](https://whova.com/web/virtu13_202010) to register using your university email. Stay up-to-date with the event by downloading the Whova app in Google Play Store and Apple App Store.
